price on request  
price on request

Overtime Rates apply before 8:00 am. or after 4:30 pm. Monday through Friday and all weekends, excluding holidays. All holidays are \$50.00 per hour per man, extra .

All requirements for cranes which do not meet the above requirements (all work before 8:00 am. or after 4:30 pm., Saturdays, Sundays, or Holidays), will have a four (4) hour minimum charge (except when this is a continuation of regular time or early start time).

All jobs have a minimum three (3) hour charge for personnel and equipment through 22 ton capacity, Monday through Friday, 8:00 am. to 4:30 pm., excluding holidays. 25 ton capacity and above have a four (4) hour minimum charge.

All extra trucks to haul boom, counter weights, equipment cages, etc. will be \$105.00 per hr. extra

There will be a charge for oversize-overweight crane permits of \$50.00 per round trip in the Metroplex area. All specialized truck and crane permits requiring oversize-overweight mileage permits will be priced per job.

Also, a charge will be made for mats, of \$20.00 per day per mat, ( size 8' x 16' laminated ), Heavy Duty mats will be \$25.00 per mat (8' x 20')

Concrete buckets, cages, and platforms will be charged at \$50.00 per day plus delivery and pick up

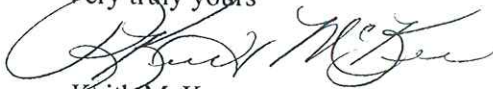

All work performed out of town which requires an overnight layover, a charge of \$110.00 per day per man will apply.

Conventional and luffing jib cranes have a 4 hr. minimum plus mobilization

Cranes without operators are also available by the month.

We trust this schedule will be of use to you and look forward to serving your hoisting needs.

Very truly yours

Keith McKee  
General Manager
